

**FIRST PRESBYTERIAN CHURCH
2020 FACILITY USAGE POLICIES W/FEE SCHEDULE**

Introduction

First Presbyterian Church, FPC, may be reserved for special events by members and nonmembers. The FPC Events Coordinator will schedule all events and may approve events in areas except the sanctuary and chapel. Use of the sanctuary and chapel requires approval by the church Session. Session may approve monthly, quarterly or other recurring events on a yearly basis. Events may be scheduled only by the FPC Events Coordinator. No church member or staff member may schedule events that are not part of the normal church calendar without following the procedures in this policy.

Regular church events and/or programs and activities that have prior Session approval will have priority. However, these events must be scheduled on the event calendar well in advance to ensure that no conflicts will occur.

Members of FPC, Morristown, can reserve areas of the church for a non-church activity up to one (1) year in advance of the event date. Nonmembers can reserve the church up to six (6) months in advance of the event date. Reservations are taken on a first come-first served basis.
